The National Association of Hispanic Journalists present:

Cecilia Alvear

After 25 years working for NBC Network News, some of the stories she has covered include: interviews with Fidel Castro in Cuba, the Colosio assassination, the O.J. Simpson trial, and the riots that have affected the Los Angeles area.

She will be sharing:

- tips for aspiring journalists
- her career history in covering international & national news
- and the importance of diversity in the media

Be at Smith Forum (room 200 in the Reynolds Journalism Institute) at 7 p.m., March 18th!
